

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

ANTOINE GORUM, A.K.A. RONALD
CLARK,

Plaintiff,

v.

JAMES G. COX, *et al.*,

Defendants.

Case No. 2:13-CV-01412-KJD-GWF

ORDER

Plaintiff filed this action pursuant to 42 U.S.C. § 1983. On October 5, 2015, Magistrate Judge George W. Foley issued an Order and Report and Recommendation (#82) recommending that Plaintiff's Motion for Default Judgment (#77) be denied. Plaintiff filed a document that the Court will liberally construe as objections (#85/86) to the report and recommendation to which Defendants replied (#89).

The Court has conducted a *de novo* review of the record in this case in accordance with 28 U.S.C. § 636(b)(1) and LR IB 3-2. The Court finds that the Order and Report of and Recommendation (#82) of the United States Magistrate Judge entered October 5, 2015, should be adopted and affirmed. The motion for default judgment is denied. Furthermore, the duplicative motion for default judgment (#86) is denied.

1 It does appear that there may be confusion in the numbering or filing of the amended
2 complaints by Defendant and in the Court's orders regarding the various amended complaints. If the
3 document filed at Docket No. 61 was intended by Plaintiff to be his final amended complaint as
4 requested by his motion to amend at Docket No. 62, which motion to amend was granted by the
5 Court, he is to refile it within thirty (30) days of the entry of this order and clearly label it "Third
6 Amended Complaint." If it is not so intended, then Plaintiff is in violation of the orders of the Court
7 to file his Third Amended Complaint and he may face sanction, such as dismissal of his action
8 entirely. No further amended complaints, other than the one just sanctioned and previously approved
9 by the order at Docket No. 74 will be entertained.

10 Accordingly, **IT IS HEREBY ORDERED** that the Order and Report and Recommendation
11 (#82) of the United States Magistrate Judge entered October 5, 2015, are **ADOPTED** and
12 **AFFIRMED**;

13 **IT IS FURTHER ORDERED** that Plaintiff's Motions for Default Judgment (#77/86) are
14 **DENIED**.

15 DATED this 16th day of May 2016.
